 17 individual soundproof rooms in smallest configuration

Meeting Room Features

The Signature Grand is a 100,000 square foot state of the art facility. The Grand features 40,000 square feet of guest areas, capable of hosting a wide variety of events. Private areas are available to host events from as few as 10, to as many as 1,800 guests seated in one room for a dinner dance. The Grand can be subdivided into 13 private areas, plus 4 large suites.

Designed to host multiple events with both visual and acoustical privacy, the Grand incorporates the following features:

- Grand entrance
- Lobby pattern designed to avoid traffic conflicts
- Private event/meeting areas
- High ceilings with unobstructed overhead space
- Numerous settings for photography
- First class interiors including; mirrors, fine oil paintings, grand staircases, fountains, custom made crystal chandeliers and classic furniture settings
- ISDN Connections for internet access
- Cable Television Hook-up
- Oversized access doors into the ballroom
- Southern Audio Visual representative on premises
- Built in bars
- Hi-amp electric system to support show lighting
- Free courtesy phones for unlimited local calls
- Ample free guest parking with full size parking spaces
- Versatile layout permitting private salons seating for 10 to 1,800 guests
- Soundproofing, a critical element, is achieved by:
 - Isolating noise generating equipment
 - Eliminating air conditioning ductwork between rooms
 - Separating each room with two acoustically engineered designed walls with an acoustical integrity exceeding a NIC (Noise Isolation Class) rating of 55 - 60, providing one of the best sound isolation systems in the country.
 - Decoupling floor slabs to prevent vibrations from traveling from one salon to another
 - Function room doors are the same used in recording studios
